GIRLS TRACK: Franklin won its third straight meet to boost its record above .500. The Cubs won the 1600 meter relay to secure a 62-56 win over Mooresville.

Franklin led 57-56 with the relay still to be decided. The team of Christy Walters, Tina Spicer, Kristen Ott and Jennifer Burton sealed the win with about a 15-second victory.

Tammy Ashley won both the 1600 and 3200 meter races.

"Really, no one had an outstanding time but we had a lot of good efforts," Coach Tim Leonard said.

The Cubs are 3-0 since starting the year 0-2.

"We're a late starting team," Leonard said. "It took a while to get our legs back from spring break, but I feel we're a team of improvement and we're getting better every time out."

Greenwood, 4. Franklin, 5. Mooresville, 6. Beech Grove.

Greenwood's girls also finished in the runner-up position, but by a slightly larger margin.

Avon took first and second in the 1600 and 3200 meters and captured first and third in the 800 meters to surge to a 97½-80 decision over the Woodmen in the girls meet. Franklin was fourth while Whiteland finished sixth.

"We knocked on the door, but the thing's still closed," Greenwood Coach Mike Loudermilk said. "They did what they had to do and the Avon girls did what they had to and they won. Our kids rose to the occasion, but we're still that second athlete's score in each event away. That depth is what Avon had and they deserved to win it."

Greenwood's Mariah Owen won both hurdle races to pace the Woodmen, while Heather Meiser took a pair of seconds, despite her best times of the year in the 100 and 200 meters.

Franklin's Julie Mashino was also a double winner as the senior won the shot put (32'7") and discus (93'7").

"Julie had an outstanding meet," Coach Tim Leonard said. "To take two firsts in any event is tough, but she came here ready to do well and just had a really fine meet."

Overall, the Johnson County team ran better in the conference meet than in the county.

"Given the circumstances (weather), we had some girls turn in some very good performances and as a team, we had a better week this week and I'm proud of that," Leonard said.

The girls meet wasn't without its controversy, as the 400-meter relay race was started at the wrong position and had to be run again about an hour later.

The first time through, Plainfield won with a school record time, but Greenwood came back to capture the second running. Whiteland finished second in both races.

A pair of individual sectional titles by Center Grove seniors Jenny Dray and Julie Borns leads 16 Johnson County individuals and four relay teams into the regional round of the girls track state tournament.

All six county schools have at least one individual advancing and half the schools have a sectional champion.

"That's the way it should be," Center Grove Coach Carol Turney said. "I think Johnson County was well represented tonight."

Center Grove was the best representative, scoring 93 points — 23 more than the Trojans were seeded to score. That wasn't enough to catch the host Olympians, who won the team title with 105 points.

Greenwood was fifth with 34 points and Franklin tied for sixth with 16 points. Edinburgh was eighth with 15 points, followed by Indian Creek with 14 and Whiteland 12.

Dray defended her sectional title in the 100 hurdles and added the 300 hurdle crown to her list of honors.

Borns turned in another gutsy performance with titles in the 200 and 400 meter races. Her 400 time of :59.3 is her second-best ever, despite still hurting from bursitis in her hip.

Borns and Dray combined with Christy Reed and Anji Lelenko to also win the 1600 meter relay in a school-record time of 4:09.5.

"We're just lacking depth in that we're not able to score in some events and what hurt us tonight was not scoring in the high jump, 1600 or 3200," Turney said. "And, the people who ran in those events had the best times of the year. Monique (Teipen) had her best time of the season in the 3200 and this was her first time under 13 (minutes)."

Franklin also outdid itself, as the Cubs weren't supposed to hit double figures, but they scored 16 points and had a school record by Tammy Ashley in the 3200, despite finishing seventh.

"She had a nice performance to wrap up her career," Coach Tim Leonard said. "Really, across the board, our team had their best times of the year and it's just a great way to finish the season."

Julie Mashino and Christina Thompson advanced to the regional for the Cubs. Mashino, after scratching all three attempts in the discus where she was seeded, came back to finish fourth in the shot put. Thompson finished fourth in the 200 meter dash.

Edinburgh's dynamic duo of Beth Knue and Susan Flory scored all the Lancers' 15 points, as Knue won the shot put and Flory broke her own school record en route to a fourth place finish in the 3200.

All of Indian Creek's points came from high-jumping sisters Kate and Kindy Girdley. Kate won with a school-record tying 5'4" effort while Kindy finished fourth by virtue of misses at 5 feet.

"It's really a neat thing to have sisters going on," Coach Joe Lesko said. "Kindy has had some problems, but she's been taking care of some of that in practice this week and I think last night's effort really helped her."

"I just hope they can duplicate that effort next week and if Kate can, that's her ticket to the state finals, regardless of where she places."

Whiteland's only qualifier was freshman Clarissa Bridges, who finished second in the long jump. The Warrior 400 meter relay team was just a tenth of a second off the school record and finished fifth, as did Becky Shrum in the high jump.

"I'm very happy Clarissa gets to continue," Coach Dave McMillan said. "We'll be working this week to get her back into the mid 16s."

Greenwood will take both relay teams and two individuals to the regional.
