Coach's Comments:

This has been a very successful and rewarding season for girls track at Franklin Community High School. This season was highlighted by many outstanding performances and efforts. Every year the goals are to be competitive in every meet that we are in, including the invitationals and the "big" meets. I believe that we achieved those goals and more. Many new participants gained valuable experience for next year. I have really enjoyed coaching this year, regardless of how many meets we would have won or lost. There is more to track than running, jumping, vaulting, or throwing. I really appreciate the work ethic, attitude, and dedication that team members had this year. These are character traits which can be used in all aspects of life that sports can provide. The coaching staff and I enjoyed coming out to track practice every day and the atmosphere that you, the track team, have developed through your actions. If any of us had a bad day at work, track practice could always make that day better. The things that we as coaches enjoy the most would be watching the younger participants improve as the year goes along and get better and feel good about what they have accomplished, and the experienced members have success after years of hard work, patience, and dedication to the sport. You all have made this season very rewarding in all aspects, and have continued the FCHS track and field tradition of excellence.

To the Seniors: thank you for all of your years of participation in the track program at FCHS. We are sad to see you leave, but realize that the time has arrived for you to graduate from high school and move on to the next stage of your life. We will miss you, and you will always be welcome to come back to practice to see everyone. Good luck to you in everything you choose to do, and we wish for you much success and happiness.

To the returning track team members: have a safe and wonderful summer. I know that many of you will be busy with other sports and jobs. If you are not doing any other sports, try to stay in shape by bike riding, walking the parks trail, swimming, or jogging/running, and coming to the "Tuesdays at the Track" in June. Weights and conditioning will also take place in the weight room from 8:30 to 10:30am on Monday, Wednesday, and Friday during the summer. It would be a good idea to attend these sessions during the summer to stay in shape. Also, take time out for yourself and friends and have fun. Enjoy your time off this summer and get refreshed and rested for next year. Remember, you are only at this stage in your life once, so make sure you enjoy it responsibly. Thanks again for a great track season.
