2019 Coach's Comments

As we wrap up another season of Franklin Track and Field, I can't help but feel lucky to be in the position I am. We have a great group of student-athletes and a coaching staff in which I have a ton of faith. Last year we set out to create a training environment that was positive yet challenging to push everyone toward their max potential. They help me be a better coach because of the compassion they have for the athletes as well as the honest conversations we are able to have about what is best for the team. They put in so much work that goes unseen and unnoticed to most, but certainly not unappreciated by me.

I also want to thank everyone that chose to participate this season. We had the largest team we've had in many years. While we brought back a strong core from last year's team, we also had over 30 freshmen and sophomores. We had girls that participated in areas they had not tried before. We had upperclassmen decide to give track a chance after not doing it for a year or two. I hope that is something we continue to grow. We want this to be a team where everyone feels welcome no matter if you're a track "lifer" or just wanting to spread your wings and try something new.

Every season comes with challenges. Sometimes the results are great, other times they can frustrate you beyond belief. I think the thing that will stay with me from this group is how much more confident we were at the end of the season. The season can feel very long, especially when you have summer vacation staring you in the face, but the level of engagement at our last few meets was so encouraging as a coach. We had people hitting season best marks and personal best marks at the end of the season when us coaches hope it will happen. It takes some patience, a lot of trust, and persistence. I feel that your efforts over the last few meets of the season show that you gave your best and hopefully finish the season with a sense of pride in what you've done.

To the seniors, we owe you a very heartfelt thank you for the last 4 years. You have been part of a really strong era of Franklin Track and Field and have continued a standard that future teams are going to have to work really hard to match! As you move on to bigger and better things outside of FCHS, I hope you will make some time to come back and see us. We wish you all nothing but success and if the last few years are any indication, I have total confidence that success is what you all will find.

Finally, to those that will be back with us next spring, I hope you will make it a goal to continue to challenge yourself. I hope you are brave enough to set lofty goals for yourself in all areas of your life. I hope the things you accomplished this spring give you confidence that you have the determination to accomplish challenging goals. Then of course, we hope you decide to come back out next spring and try to take a step forward from where you are right now.

Thank you all again for making year two a memorable one!
