2019 Coach's Comments

As we wrap up another season of Franklin Track and Field, I can't help but feel lucky to be in the position I am. We have a great group of student-athletes and a coaching staff in which I have a ton of faith. Last year we set out to create a training environment that was positive yet challenging to push everyone toward their max potential. They help me be a better coach because of the compassion they have for the athletes as well as the honest conversations we are able to have about what is best for the team. They put in so much work that goes unseen and unnoticed to most, but certainly not unappreciated by me.

I also want to thank everyone that chose to participate this season. We had the largest team we've had in many years. While we brought back a strong core from last year's team, we also had over 30 freshmen and sophomores. We had girls that participated in areas they had not tried before. We had upperclassmen decide to give track a chance after not doing it for a year or two. I hope that is something we continue to grow. We want this to be a team where everyone feels welcome no matter if you're a track "lifer" or just wanting to spread your wings and try something new.

Every season comes with challenges. Sometimes the results are great, other times they can frustrate you beyond belief. I think the thing that will stay with me from this group is how much more confident we were at the end of the season. The season can feel very long, especially when you have summer vacation staring you in the face, but the level of engagement at our last few meets was so encouraging as a coach. We had people hitting season best marks and personal best marks at the end of the season when us coaches hope it will happen. It takes some patience, a lot of trust, and persistence. I feel that your efforts over the last few meets of the season show that you gave your best and hopefully finish the season with a sense of pride in what you've done.

To the seniors, we owe you a very heartfelt thank you for the last 4 years. You have been part of a really strong era of Franklin Track and Field and have continued a standard that future teams are going to have to work really hard to match! As you move on to bigger and better things outside of FCHS, I hope you will make some time to come back and see us. We wish you all nothing but success and if the last few years are any indication, I have total confidence that success is what you all will find.

Finally, to those that will be back with us next spring, I hope you will make it a goal to continue to challenge yourself. I hope you are brave enough to set lofty goals for yourself in all areas of your life. I hope the things you accomplished this spring give you confidence that you have the determination to accomplish challenging goals. Then of course, we hope you decide to come back out next spring and try to take a step forward from where you are right now.

Thank you all again for making year two a memorable one!

2018 Coach's Comments

First, I want to thank everyone for making my first season as head coach a great one! I was certainly anxious at this time last year about the adjustment to head coach and the journey I wanted our program to take over the next year. With your support I feel things went about as smooth as I could have hoped. It was a season of changes and you all rolled with things as we adjusted sometimes from day to day. I was fortunate to have a great coaching staff that created a positive and challenging environment that pushed everyone to do their best. They helped create a culture of hard work and dedication that will set a positive course for coming years. They also handled the challenges of a less than ideal early season practice set up. They had you ready to compete and when the time came, you all showed that your hard work was paying off.

Throughout the year we tried to celebrate individual improvement and highlight personal bests because I believe everyone can work hard and improve no matter what your talent level might be. This season that just happened to give us great finishes in our competitions. More importantly, you consistently gave great efforts no matter what the weather was, how many events you'd done in the past week, or any other set of excuses you could have used. The track season is a long one and everyone goes through different periods of adversity. It wasn't always easy to show up and work hard. The meet results may not have always been exactly what you hoped for. However, you all consistently showed up with positive attitudes ready to make the next meet better. That determination is something I will always remember about this year's team.

To the seniors, thank you thank you thank you for all you have done for this program over the last four years. You are leaving a tough legacy to beat! Your leadership was among the best I've seen over the years and it was a crucial piece of the success we had. It is sad to see you all go, but we are excited for what lies ahead for you. We hope you will come back often and get to know the next generations of Franklin Track and Field!

Finally, for all of those returning next season, I hope you will stay active over the next few months. If you don't already play a fall sport, maybe try something new next year. We talked about being brave enough to reach for goals this year, so continue to push your comfort zones. Challenge yourself to come into next year better than you were this year. Reach out to coaches for things you can do between now and next winter. It's always easy to find the excuses why you can't, but those that want to have success, find the way that they can.

So again, thank you to everyone for making this year a fun season!

Coach's Comments:

This has been a very successful and rewarding season for girls track at Franklin Community High School. This season was highlighted by many outstanding performances and efforts. Every year the goals are to be competitive in every meet that we are in, including the invitationals and the "big" meets. I believe that we achieved those goals and more. Many new participants gained valuable experience for next year. I have really enjoyed coaching this year, regardless of how many meets we would have won or lost. There is more to track than running, jumping, vaulting, or throwing. I really appreciate the work ethic, attitude, and dedication that team members had this year. These are character traits which can be used in all aspects of life that sports can provide. The coaching staff and I enjoyed coming out to track practice every day and the atmosphere that you, the track team, have developed through your actions. If any of us had a bad day at work, track practice could always make that day better. The things that we as coaches enjoy the most would be watching the younger participants improve as the year goes along and get better and feel good about what they have accomplished, and the experienced members have success after years of hard work, patience, and dedication to the sport. You all have made this season very rewarding in all aspects, and have continued the FCHS track and field tradition of excellence.

To the Seniors: thank you for all of your years of participation in the track program at FCHS. We are sad to see you leave, but realize that the time has arrived for you to graduate from high school and move on to the next stage of your life. We will miss you, and you will always be welcome to come back to practice to see everyone. Good luck to you in everything you choose to do, and we wish for you much success and happiness.

To the returning track team members: have a safe and wonderful summer. I know that many of you will be busy with other sports and jobs. If you are not doing any other sports, try to stay in shape by bike riding, walking the parks trail, swimming, or jogging/running, and coming to the "Tuesdays at the Track" in June. Weights and conditioning will also take place in the weight room from 8:30 to 10:30am on Monday, Wednesday, and Friday during the summer. It would be a good idea to attend these sessions during the summer to stay in shape. Also, take time out for yourself and friends and have fun. Enjoy your time off this summer and get refreshed and rested for next year. Remember, you are only at this stage in your life once, so make sure you enjoy it responsibly. Thanks again for a great track season.

Coach's Comments:

This has been a very successful and rewarding season for girls track at Franklin Community High School. This season was highlighted by many outstanding performances and efforts. Every year the goals are to be competitive in every meet that we are in, including the invitationals and the "big" meets. I believe that we achieved those goals and more. Many new participants gained valuable experience for next year. I have really enjoyed coaching this year, regardless of how many meets we would have won or lost. There is more to track than running, jumping, vaulting, or throwing. I really appreciate the work ethic, attitude, and dedication that team members had this year. These are character traits which can be used in all aspects of life that sports can provide. The coaching staff and I enjoyed coming out to track practice every day and the atmosphere that you, the track team, have developed through your actions. If any of us had a bad day at work, track practice could always make that day better. The things that we as coaches enjoy the most would be watching the younger participants improve as the year goes along and get better and feel good about what they have accomplished, and the experienced members have success after years of hard work, patience, and dedication to the sport. You all have made this season very rewarding in all aspects, and have continued the FCHS track and field tradition of excellence.

To the Seniors: thank you for all of your years of participation in the track program at FCHS. We are sad to see you leave, but realize that the time has arrived for you to graduate from high school and move on to the next stage of your life. We will miss you, and you will always be welcome to come back to practice to see everyone. Good luck to you in everything you choose to do, and we wish for you much success and happiness.

To the returning track team members: have a safe and wonderful summer. I know that many of you will be busy with other sports and jobs. If you are not doing any other sports, try to stay in shape by bike riding, walking the parks trail, swimming, or jogging/running. Try to take time out for yourself and friends and have fun. Enjoy your time off this summer and get refreshed and rested for next school year in a brand new facility! Remember, you are only at this stage in your life once, so make sure you enjoy it responsibly. Thanks again for a great track season.

Coach's Comments:

This has been a very successful and rewarding season for girls track at Franklin Community High School. This season was highlighted by many outstanding performances and efforts. Every year the goals are to be competitive in every meet that we are in, including the invitationals and the "big" meets. I believe that we achieved those goals and more. I have really enjoyed coaching this year, regardless of how many meets we would have won or lost. There is more to track than running, jumping, vaulting, or throwing. I really appreciate the work ethic, attitude, and dedication that team members had this year. These are character traits which can be used in all aspects of life that sports can provide. The coaching staff and I enjoyed coming out to track practice every day and the atmosphere that you, the track team, have developed through your actions. If any of us had a bad day at work, track practice could always make that day better. The things that we as coaches enjoy the most would be watching the younger participants improve as the year goes along and get better and feel good about what they have accomplished, and the experienced members have success after years of hard work, patience, and dedication to the sport. You all have made this season very rewarding in all aspects, and have continued the FCHS track and field tradition of excellence.

To the Seniors: thank you for all of your years of participation in the track program at FCHS. We are sad to see you leave, but realize that the time has arrived for you to graduate from high school and move on to the next stage of your life. We will miss you, and you will always be welcome to come back to practice to see everyone. Good luck to you in everything you choose to do, and we wish for you much success and happiness.

To the returning track team members: have a safe and wonderful summer. I know that many of you will be busy with other sports and jobs. If you are not doing any other sports, try to stay in shape by bike riding, walking the parks trail, swimming, or jogging/running. Try to take time out for yourself and friends and have fun. Enjoy your time off this summer and get refreshed and rested for next school year. Remember, you are only at this stage in your life once, so make sure you enjoy it responsibly. Thanks again for a great track season.

Coach's Comments:

This has been one of the most successful seasons in girls track at Franklin Community High School during my tenure as the head coach. Every year the goals are to be competitive in every meet that we are in, including the invitationals and the "big" meets. I believe that we achieved those goals and more. I have really enjoyed coaching this year, regardless of how many meets we would have won or lost. There is more to track than running, jumping, vaulting, or throwing. I really appreciate the work ethic, attitude, and dedication that team members had this year. These are character traits which can be used in all aspects of life that sports can provide. The coaching staff and I enjoyed coming out to track practice every day and the atmosphere that you, the track team, have developed through your actions. If any of us had a bad day at work, track practice could always make that day better. The things that we as coaches enjoy the most would be watching the younger participants improve as the year goes along and get better and feel good about what they have accomplished, and the experienced members have success after years of hard work, patience, and dedication to the sport. You all have made this season very rewarding in all aspects, and have continued the FCHS track and field tradition of excellence.

To the Seniors: thank you for all of your years of participation in the track program at FCHS. We are sad to see you leave, but realize that the time has arrived for you to graduate from high school and move on to the next stage of your life. We will miss you, and you will always be welcome to come back to practice to see everyone. Good luck to you in everything you choose to do, and we wish for you much success and happiness.

To the returning track team members: have a safe and wonderful summer. I know that many of you will be busy with other sports and jobs. If you are not doing any other sports, try to stay in shape by bike riding, walking the parks trail, swimming, or jogging/running. Try to take time out for yourself and friends and have fun. Enjoy your time off this summer and get refreshed and rested for next school year. Remember, you are only at this stage in your life once, so make sure you enjoy it responsibly. Thanks again for a great track season.

Tim Leonard
